**APRIL 2024**

## *From the Pastor's Desk*

Dear Beloved Community,

Permit me to use my letter this month as a sad tribute to a dear, close neighbor who is now buried in a watery grave, twisted and mangled out of her former glory, my beloved Francis Scott Key Bridge. Not only did my majestic bridge fall into the depths, but she took six hard-working, loving, family men down with her. We will never forget them.

I'm a city girl who remembers going with friends on a boat ride that took us from the Inner Harbor to the KEY BRIDGE!!! It was a very big deal. We took pictures of this architectural beauty with our cheap black and white cameras and had them developed for our photo albums. The boat went under the bridge, and we just looked up at it in awe. Through the years, when I would "chauffeur" someone home from the Eastern Shore or areas on the other side of town, I would always take the Key Bridge, and without fail, my guests would ooh and aah. "This is beautiful." "We love it when you bring us home this way." During the day, traveling on her, we could see barges, cruise ships and the Inner Harbor stretching out on both sides. (Once, we raced up to the top of her by car to wave at our friends who were going out on the cruise ship.) At night, the city and the ships were lit like brilliant starlight. The large yellow Bethlehem Steel Star stood tall to the west of her. You see, for me she was my only option for travel. The tunnels were foreign thoroughfares; the Key Bridge was my method of travel no matter what! It saddens me that our circular beltway is now just a horseshoe since she is gone. I wish the multitude of road signs around my home would stop saying, "Key Bridge Closed. Take alternate route." They should say instead, "The Key Bridge is no more. Rest in peace. Take alternate route."

Almost two decades ago, Lee and I found an acre of property right on Lynch Cove of Bear Creek and took years and years to build our house. It had to be built high because of lessons the area learned from Isabel's destruction. We nearly flew out of our seats one day soon after the outer structure of our home was finished, when we crossed the Key Bridge and could see our home from there. Hurrying home and running up to the top floor of our house, I could see the bridge to the east of us and for a few years there would be fireworks behind it on New Year's Eve and July 4<sup>th</sup>, until they moved them, I guess. Now, looking out that window, I see nothing but sky.

The second Jewish temple was sort of like the Key Bridge, in that both took about five years to build but such short times for them to be no more. My friend collapsed in just seconds. Jesus likened his body to the temple. Our bodies are the temples for the Lord now. Can Jesus then be the bridge we've lost, connecting us to all whose lives are severely impacted by this tragedy? We'll most likely need to give out more food and toiletries, things that will not only be in short supply because of shipping issues but may be above budget means for those whose jobs are suddenly in jeopardy. My mighty and powerful friend who held up 30,000 vehicles a day, including mine and those of my family, collapsed! While I can hardly believe it, it brings to my mind a stark reality: Nothing made with human hands has even a miniscule speck of the power our Lord God has!

I heard the death groans of my dear friend. I was finishing up the movie *Anatomy of a Fall* way too late, on a night I should have been in bed long ago, but around 1:15, I climbed into bed and soon after heard what sounded like a terrific thunderstorm coming up with major wind force, since the windows were rattling and shaking. I was about to wake Lee, but then I thought maybe it was just the sound of a truck convoy on the Peninsula Bridge. The next morning, I found out that I was up with my beautiful bridge and heard her die. I'm glad I was able to find that closure and say goodbye.

Blessings and Comfort,

Pastor Ellen

Spring is a time to reflect, refresh, and renew ourselves. Easter is a perfect time for these three 'Rs.' Take time to reflect on yourself and your impact on your spiritual life. How can you refresh and renew yourself? Make a personal commitment to yourself on your ponderings.

I keep recalling the old adage, *"April showers bring May flowers."* I love flowers and the outstanding flower gardens we have here at Christus Victor. A huge thank you to the Garden Team who maintains the gardens. Remember the important role bees make in pollinating our flowers. Spring flowers are a gift from God and remind us that spring is a time of renewal.

Did you know that Earth Day was first celebrated on April 22, 1970? Earth Day is an annual event to demonstrate support for environmental protection. This year's theme is "Planet vs. Plastics." As you reflect on Earth Day, think about your carbon foot print. How much plastic do you use? Do you recycle? How can you be a better care giver of this beautiful earth God has given us. On April 22, plant a tree or garden, or take a walk to view Spring's beauty to commemorate Earth Day.

Bee Peaceful,

Linda Meyer

Please keep bringing in pull tabs from aluminum cans. The money raised from recycling them is used to purchase gas for the shuttle that takes Ronald McDonald House families to and from the hospital. Every little bit helps!

# Congregational Survey

Paper copies are available at church, and you need not be a member to share your opinions. Thank you to all who have already responded!

# *The Joy of Unselfish Giving*

*Time is not measured  
by the years that you live  
But by the deeds that you do  
and the joy that you give---  
And each day as it comes  
brings a chance to each one  
To love to the fullest,  
leaving nothing undone  
That would brighten the life  
or lighten the load  
Of some weary traveler  
lost on Life's Road---  
So what does it matter  
how long we may live  
If as long as we live  
we unselfishly give.*

# Mutual Ministry

Ministry is the work of and for the whole people of God, not just of the pastor or staff.

Mutual Ministry is meant to help the entire congregation better accomplish God’s mission in working together for the glory of God.

The focus is on means of improvement rather than on reasons why something was or was not done and on celebrating successes and resolving the challenges.

Don’t think you have to handle an issue alone — we are here to listen and support as needed.

Please contact a Mutual Ministry team member if you have any concerns, issues or questions.

Your Mutual Ministry Team,

## CALLING ALL BOYS AND GIRLS K--GRADE 5 TO JOIN THE CUB SCOUTS PACK 183

Scouts meet Tuesday nights at Christus Victor.

They have lots of fun events and community service projects throughout the year!

Please contact Cubmaster Sarah Barrett at [pack183carney@gmail.com](mailto:pack183carney@gmail.com) for more information.

When someone visits Christus Victor for the first time, we now have welcome gift bags to show our appreciation for them and to give them more information about our church beyond the worship service. And each and every one of us can welcome visitors with a smile and an introduction!

## Sunday School

Our latest Bible Buddy was Amanda. She is a red panda and not related to the black and white panda! Amanda taught us, "Don't worry about anything: instead, pray about everything. Tell God what you need and thank Him for all He has done." (Philippians 4:6) We also learned that God knows what we need. After those four weeks we jumped into Lent, then Holy Week, and we studied the Trinity on St. Patrick's Day. On Palm Sunday, we decorated "floats" and had a parade! On Easter we did some reviews and played some games after making our Resurrection Rolls. Yummy!!! At church we sang "Beautiful Savior."

On April 7<sup>th</sup> we will meet our last Bible Buddy of the year. On May 5<sup>th</sup>, we will be decorating flower pots for a surprise gift for all our mothers in church. The rest of May, we will be doing our quarterly review and working on the Lord's Prayer. No Sunday School on May 26<sup>th</sup> (enjoy your long weekend). We will finish on June 2<sup>nd</sup> with class and then a party after church. We hope to be outside if the weather is good!

## Youth Group

Our Youth Group met on March 13<sup>th</sup> to work on some ongoing service projects. We assembled a "Christian Survival Kit" to be added to the gift bags being given to visitors to Christus Victor. This little token will be a way to let visitors know we have a Youth Group and Sunday School. We then met on the 27<sup>th</sup> for a Holy Week Scavenger Hunt. Information about each of the days including Ascension was hidden around the building. Each person was given a list of questions to find the answers to. At the end, Pastor Ellen reviewed the answers with the group.

We are in the process of having CVLC Youth Group t-shirts made for each youth. We sent an idea to Katie Petersen and she was able to design a logo that everyone loved. Katie will be embroidering the logo onto the shirts. We are excited and hope to have these soon.

## Easter Egg Hunt

Again, this year, we were gifted a rainy day for our Annual Easter Egg Hunt and it was a lot! However, it did not prohibit more than 25 children from showing up excited to see where we could hide the Easter eggs indoors. We started in the church with Pastor Ellen leading the Resurrection Eggs Easter Story. From there, we left in groups to hunt for the eggs. Guess who popped out? The sun! Then we were able to get a few eggs hidden in the garden. We had a photo op station in the parlor and were blessed with a guest Easter Bunny. Once eggs were found and emptied, we had crafts and lunch. Additionally, this year we had a bake sale, which was very successful; all the money collected went to the roof (building) fund. The Faith, Fellowship and Fun committee joined me this year in hosting this event, as well as Mr. Jim, Mr. Len and many of our youth group.

All children were given an announcement of our Vacation Bible School dates.

# Vacation Bible School

SCUBA! is our theme for this year. Our dates are July 29<sup>th</sup> thru August 2<sup>nd</sup>. We meet at night, beginning at 5:30 p.m. for a light dinner and 6:00–8:00 p.m. for our program. If you are interested in helping out, please let me know.

## Memorial Service for Virginia Huettner

A memorial service and luncheon will be held on Saturday, April 13<sup>th</sup>, starting at 11 a.m. to celebrate the centennial life of Virginia Huettner. Her family would like to welcome everyone to come and pay tribute to God's daughter who now rests in God's arms.

*Please send Oakleaf submissions to the church office or directly to Karen Biedronski ([charmcitystamper@verizon.net](mailto:charmcitystamper@verizon.net)) by the 15<sup>th</sup> of the current month for publication in the next month's newsletter. Photos from church events are always appreciated.*

As of 1/31/24 are as follows; the General Fund balance was \$14,597.10, the balance for the Victor Vittles account was \$6,038.88 and the Savings Account balance was \$12,047.56. A \$500.00 bequest was not spent in 2023; Helen indicated that it was inconvenient to return the money to the asset account. Andrea, as the vice president of the council, made the decision to move the money to the Victor's Vittles account. \$5,500.00 was paid for the deposit for the roof repair. The insurance company has informed the church that the roof repairs are covered. Helen has suggested that a separate account should be created to set funds aside for building repairs. The insurance inspector has been on site and determined the costs for repairs of the roof and inside the building will be covered. Lee Krich has already begun repairs in the building and the vendor has completed the repairs to the roof.

Howard also reported that the church has been contacted in regards to a sewer line installation on our property for new construction behind the back parking lot and to the right of the Victor's Vittles buildings. The work will be done 200 feet behind the church building and will not impact our parking lot. The business will pay for the easement.
