MAY 2024

From the Pastor's Desk

Beloved Community,

I was finishing bulletin announcements when it dawned on me how many new people are coming to visit and how many are thinking of joining us. First off, this is 100% the work of the Lord, and I've spent a lot of time on my knees asking the Lord to grow us and flourish us here at Christus Victor, as I know you have also. Our prayers are being answered!

I am so happy that we have sprung into welcoming action. Our ushers are now "greeters," and during larger events, we greet people in the parking lot to help them park. Our Evangelism Team has put together exquisite welcome bags with a colorful brochure about our church, prayer-request cards, a hand-written bejeweled welcome note from me and a multitude of great little religious gifts: pen, pencil and writing pad, colorful cross, Scripture card, tissues, bookmark and more. In talking with our visitors who have desired to make Christus Victor their church home, they have noted how welcome and accepted they feel. When visitors come to our Sunday socials, other events, and fellowships (of which we have many in order to be a fun-loving and caring community), we make sure they never sit alone and make sure they meet as many of us by name as they can humanly stand (just kidding), and most importantly they are invited to be part of our worship service and to lend their gifts to us in volunteering when they feel ready to get involved.

We have a group of new members to welcome in an upcoming service, including our new deacon, Shelly Shrader, and her husband Tony. Shelly will be gifting us with her teaching skills for VBS as well as teaching an expanded Sunday School class for upper grades, a sort of pre-Confirmation class. She is a visitation minister for us, a regular force at pub theology, an active participant in all our social events, as well as our Gospeler and an assistant minister. We praise God for her and all the deacon training, gifts and passion she brings to us!

There is so much going on to be excited about. Please keep doing what you're doing – being friendly, accepting, welcoming, loving, caring, and inviting. God is using us for great things here at Christus Victor.

*If we at Christus Victor remain silent and inactive at this time, relief, and deliverance for the people of our community who need the Lord will arise from another place, and eventually this church will perish. And who knows but that you have come to your critical position in God's plan for such a time as this?
(Adapted from Esther 4:14).*

Much Love, Pastor Ellen

Welcome all of the beautiful spring colors. God certainly has a wonderful palette of colorful trees, plants, and flowers to beautify our world.

Mother's Day is celebrated on the second Sunday in May. The founder of Mother's Day was Anna Jarvis from West Virginia, who created the holiday in 1908. President Woodrow Wilson declared it an official holiday in 1914.

In 1908, Anna Jarvis distributed 500 carnations to mothers at her church. She selected the carnation because it was her mother's favorite flower. Later, because of a shortage of white carnations, florists invented the idea of wearing a pink carnation if your mother was living or a white carnation if she was dead.

The purpose of Mother's Day is to honor, thank, or pamper mothers, grandmothers, or other maternal figures. Mother's Day is the third largest holiday to send cards.

Honor your mother or her memory; remember a woman who has made a difference in your life.

Christ remembered his mother from the cross by asking John to care for his mother, Mary.

Peace,

Linda Meyer
Council President

Environmental Note: Do you know how bad for the environment putting batteries into the trash is? Do not put them into recycling bins either.

There are places that will collect batteries and disposed of them properly. There is a plastic container in the Fellowship Hall to collect used batteries. This is an easy thing we can do to help protect our environment.

Mr. Gordon's Confirmation Corner

I thought it was time to let the congregation know a little about **Christus Victor's Confirmation Program**. As most of you are aware, we have a two-year program that usually starts in the 7th grade. I have two separate curriculums that I rotate between the two years so that no student repeats the same material.

Year 1: This is my **Martin Luther** year, where we explore the historical life of Luther and the revelations that lead him to spark the Protestant reformation. Through his experience and teachings, we learn what it is to be a Lutheran and how the concepts that formed the reformation carry forward into our church and political life today. We also take a look at how the Christian church continued after Jesus's resurrection through the journey and teachings of Paul. And we end up with a look at prayer and some non-traditional ways that we can talk to God.

Year 2: This is our life of **Jesus** year, and we follow Jesus's journey through the New Testament in a more serious way than what the students might have experienced in Sunday School in the past. We spend a lot of time on the breakdown and meaning of the parables and we try to develop skills that allow the students to look below the surface of these important stories. We also cover the meaning and symbols behind each of the church seasons. And finally, we break down the importance of the physical layout of Christus Victor and the parts of our liturgy.

Here is what our current confirmation class looks like (from left to right):

Ryan Vancura (2nd year) (parents Stephanie & Mark) – Likes football, baseball and video games. Fav food: Chick-Fil-A.

Aaron Depew (1st year) (parents Amber & Greg) – Likes soccer, baseball and pickle ball. Fav food: Shrimp & grits.

Jacob Carey (1st year) (parents Michel & Devin) – Likes soccer, baseball and Fortnite. Fav food: Sushi.

Nathan Walck (1st year) (parents Angela & Bob) – Likes soccer, swimming and playing guitar. Fav food: Pasta.

Marcus Collins (2nd year) (parents Melissa & Matt) – Likes art and video games. Fav food: Fries.

Miley Collins (2nd year) (parents Melissa & Matt) – Likes football catch, soccer and art. Fav food: Fries.

Meghan Petersen (1st year) (parents Katie & Dave) – Likes reading. Fav food: Pancakes and mashed potatoes (not together).

Mutual Ministry

Congregational Survey

I would like to thank everyone who completed and submitted a congregational survey. We received some great responses and feedback with respect to service, sermon and music.

The Mutual Ministry team is reviewing the data and will be compiling the results and comments to share with the appropriate teams and the congregation.

Mutual Ministry is meant to help the entire congregation better accomplish God's mission in working together for the glory of God.

The focus is on means of improvement rather than on reasons why something was or was not done and on celebrating successes and resolving the challenges.

Please utilize your Mutual Ministry team.

As always, please feel free to contact a Mutual Ministry team member if you have any concerns, issues or questions.

Your Mutual Ministry Team,

Christian Education

On April 4th, I met with the Christian Education Committee to discuss the status and future of Christian Education. We needed to reorganize since the pandemic.

Starting in September, we will have a third Sunday School pre-confirmation class starting with sixth grade. We felt this would be a helpful transition before entering the two-year confirmation program. This will not affect anyone who has already started in confirmation.

Confirmation will continue to be a two-year program with classes taking place on Sundays. With the addition of the pre-confirmation class, we felt adding back the weeknight class would not be necessary.

First Holy Communion---After much discussion and research, we agreed that anyone who has been baptized is to be welcomed at the Lord's table. However, individually the parents will decide when their child will partake. Each year, the curriculum used in the past will be taught during Sunday School. This will be a refresher for those who already take communion and prepare those who do not. First Holy Communion will be held, when necessary, once a year in the spring.

Discussion was held about holding onto our confirmed youth, and again the suggestion of a Youth Room was brought up. A place where they can just gather. Maybe sometime in the future we can find a space for that. We also would like for them to continue to serve in the church. We have some now who are readers and help with the Facebook Live Stream. With our nursery back in order, some could perhaps child sit, if the need arises.

A Youth Group mission trip was discussed. Kelly Ruby is looking into something for the future. These take commitment from parents as well as youth. These are normally week-long trips. For now, we are hoping Ms. Bea Walshinsky will have us do some yard work for her, and there is a clean-up day coming at church. We discussed the possibility of joining with other Youth Groups in the area. Thoughts of adding an afternoon or evening service with a praise band and more relaxed atmosphere was also an idea for bringing more of the younger adults and teens to church. No decisions were made.

We will be planning a fall retreat to Mar-Lu-Ridge for sixth grade and up, possibly having adults and younger children join us on Saturday afternoon with a beautiful service in the chapel before leaving.

Vacation Bible School is set for July 29th through August 2nd for those age 4 years and up. Any youth entering sixth grade and up are encouraged to be volunteers. Our theme this year is SCUBA, Diving into Friendship with God, and we will transform our church, fellowship hall, and classrooms into undersea coral reefs and one submarine. There are plenty of decorations to be made, and as we get closer, I will be having craft days and nights. Please let me know if you are interested.

Success. One packet mixed with 2/3 cups of milk and one egg will make roughly 7 good sized pancakes.

So simple, ENJOY!! 🥞 😊

Old Business

Pastor's Report

The report outlined a list of the Pastor's suggested action items and items of interest.

Visitation Team – visits have begun and have been successful.

New Members – Tony and Shelly Shrader. Shelly is a deacon and has expressed interest in continuing in that capacity at our church.

Lent services are going well; however, Sunrise Easter Service will not be at the farm but at the church.

Pub Theology is well attended.

Bible Study will be re-addressed after Easter.

There is a memorial service pending.

Property Report

Insurance paid \$16,000.00 for roof repairs. The \$5,500.00 for the downpayment to the vendor has been reimbursed. There is a \$8,600.00 claim pending with the insurance company. Howard Stansbury suggested these funds be placed in the building fund. Andrea Zahirsky made a motion to approve and Howard Stansbury seconded it. The motion was approved.

Water was discovered in the sanctuary again; repairs are expected this month. The condition of the pews was discussed because the wood was wet. After everything dries out this issue will be re-evaluated.

A letter was received from the Baltimore County Law Office stating that Baltimore County is proposing improvements to the Jenifer Branch Sewer lines, which are located through the rear of our property easement. Baltimore County will be paying the church for the use of our property. This work should not affect our parking lot.

Lee Krich and Joyce McMahon completed the installation of new ceiling tiles in the Sunday School room.

We experienced a partial power outage last month during a storm, our on-call electrician resolved the issue. The problems were related to power lines on the street.

Repair or replacement of the AED Defibrator is being investigated.

Repairs to the bathrooms are in the investigation phase. A bid has been obtained; additional bids are being solicited. Sherri Simpkins has committed to contributing \$3000.00 for the tile replacement.

Book Study

Sandy Petrovich comments that people have become complacent and expect service from the church. Broken systems keep the church from growing, we are all trying to please everyone.

Linda Meyer discusses the issues related to conflicts with children's sporting events.

David Murray feels that there is not enough focus on worship; church sometime feels like an entertainment business.

Sandy Petrovich is looking for new ideas for our Sunday school program; she feels what we are doing now is not working.

Linda Meyer reports that she has a friend that attends the church outlined in the book and perhaps she would visit the council to discuss their approach and programs.

Mutual Ministry

Kelly Ruby reports a meeting was held on March 7 to review and approve the final draft of the Church Survey. Copies were distributed. The survey will go out via email and hard copy this month to the congregation. The Mutual Ministry team will provide support to anyone who needs help completing the survey. April 7 the finished reports are due back from the congregation and the committee will share the results with the council. After the results are discussed an action plan for moving forward will be developed.

Evangelism Report

David Murray sent out an email to set up a date for the committee to meet. Postal cards, visitor packages, and other issues will be discussed.

Master Calendar

The Calendar is on the website; updates will be ongoing. FFF will add Caroling.

FFF

Flea Market and Craft sale will not have a rain date; it will proceed rain or shine.

Line dancing class is scheduled for April 17. All decorations will be removed at the end of the event.

New Business

Surprises during service

Concerns regarding "surprises" during service were raised. Kelly Ruby commented that these issues should be addressed with the Mutual Ministry Committee. No changes in policy were addressed.

Use of Building

Hall rental for 6/1/24 discussed. Motion made Andrea Zahirsky and seconded by Mike and passed by council.

Emergency Plan

The need for an emergency evacuation plan was proposed by Linda McMahon. Fire extinguisher inspections, evacuation map, CPR training, and other safety issues were discussed. The council proposed that a committee be created to resolve these outstanding issues led by Linda McMahon. An announcement will occur at the next church service to recruit members.

Boy Scout request

The Boy Scouts have requested to sell Coupon books and have a bake sale to support their troop on Sunday, April 28. It was suggested that we also invite them to take a table on 6/22 at the Flea Market and Craft Sale event.

Use of Building Rooms

It was discussed that too many materials are currently stored in the meeting rooms. The rooms are currently being cleaned out and re-organized. Howard Stansbury stated that the Boy Scouts are moving all their items except the flags to the shed. There is a leak in the garage and Lee Krich and Joyce McMahon will be addressing that issue. Nursery to be done next week. Altar guild working on their clean up.

Ads in Weekly Bulletin and Oakleaf

Ads in the Bulletin was not approved. Linda McMahon proposed a motion to allow \$5.00 ads in the *Oakleaf*. Andrea seconded the motion and the council passed the motion.

Grant Money for Victor’s Vittles

Hunger Task Force has given Victor’s Vittles a \$1000.00 grant and Carol Stansbury is working to locate matching funds from local sources.

Approval to Partner on The Chosen Bible Studies

The Chosen TV series is being offered in partnership with other Lutheran churches in the area. We would be hosting the event for two nights, providing a small meal. There was a motion to approve by Linda Meyer seconded by David Murray, approved by Council.

Next Steps of Deacon Shelly and Closure with Rodger

Pastor Ellen Krich to meet with Shelly 4/15 to discuss next steps. She will also meet with Rodger to discuss the closure of his deacon services. It was recommended that Shelly come to next month’s Council meeting so we can get to know her better.

Adjournment

Motion to adjourn was made by Mike and seconded by Sandy. Motion was carried and the meeting was adjourned and it ended with the Lord’s Prayer.

Reminder: Next Council Meeting April 8, 2024, 7 p.m.

Respectfully Submitted,

Linda McMahon, Secretary
